## **Password Reset Functionality**

---

Terms of Reference

## 1 Terms of Reference

This service offers you the terrific option to register for the Password Reset Functionality for ROSIplus by providing a private email address. The benefit to you, is that if you forget your password, then you can reset your own password without seeking help from our Dealer Team.

Please note, the utilization of this service is voluntary. You can refrain from using this service at any time.

The data used for this service is stored for this service only and can be viewed at any time. The email address provided will be used for this service only. The utilization of the ROSIplus Password Reset Functionality is only permitted with a private email account. The email account must be protected against third party use and be accessed only by you.

Deactivation requests should be made in writing and emailed to [DealerQueries@se1.bp.com](mailto:DealerQueries@se1.bp.com). Deletion of your data will be done within 5 days of receiving your deactivation request. When your user is deactivated, all data used for this service will also be deactivated.

If you prefer not to opt in to the password reset functionality, then you can still send your password reset request to [DealerQueries@se1.bp.com](mailto:DealerQueries@se1.bp.com)

If you have questions or concerns regarding data protection, please contact the BP Group Data Privacy Officer at the following address:
